MRC National Survey of Health and Development COVID-19 Questionnaire

Version: 29/04/2021

Thank you for taking part in the 3rd wave of the MRC National Survey of Health and Development COVID-19 questionnaire.

The questionnaire covers the impact of the coronavirus outbreak on your health, your family, your social life, and your work. The answers you give will help researchers understand the impact of the outbreak on people's lives. We will ask you to do this at regular intervals throughout the outbreak to see how things change for you.

The survey should take about 30 minutes to complete. As always, answering these questions is voluntary and you can skip over any questions that you cannot or would prefer not to answer. The 'Privacy and data protection' FAQs on the study website provide details about how we protect the information you provide and how it will be used for research.

If you have any problems, queries or concerns, you can contact us using at mrclha.enquiries@ucl.ac.uk or please telephone 0800 952 0249 or 020 7670 5700.
